Bonding | Balancing | Sealants | Finishing Agents

Ultra Cleanse - Nail Prep

Nailsforu Ultra Cleanse promotes and maximizes retention of any of the nail systems to the natural nail. Ultra Cleanse is a PH balancing agent. It's unique action not only removes any moisture and oil present on the nail surface but cleanses and protects the nail surface from bacteria. The use of Ultra Cleanse is the first step to the successful elimination of lifting.

- | | |
|-------------------------------|-------|
| 1. 15ml | 09001 |
| 2. Dehydrator brush | 23002 |
| nailsfortê Bonder 50ml refill | 24002 |

Bond It - Non- Acid Primer

This patented nailsforu acid- free primer offers the very best of the New Age Bonding Agents. It's a non-etching and relies on its Innovative formulation the create a bond which will ensure and maximize the action of Bond It, apply after the use of nailsforu Ultra Cleaner.

- | | |
|---------------------------------|-------|
| 3. 10ml | 09031 |
| nialsfortê non acid 10ml refill | 24041 |

Primer Bond - Acid Primer

With the advent of the primerless Powder and Liquid Systems, acid primers are only used with Acrylic Systems requiring its use. Although highly effective as bonding agents, acid primers etch the nail plate surfaces. Primer Bond provides a strong bond with the nail plate surface. Good application techniques are essential. If an acid primer is carelessly applied, it can cause damage to the nail plate, surrounding skin and hyponychium underneath the nail.

- | | |
|---------|-------|
| 4. 15ml | 09021 |
|---------|-------|

Seal It - Air Dry Sealant

A buffer in a bottle! Nailsforu Seal it is a permanent air dry sealant over acrylic and fiberglass/ silk wraps. Seal It protects and seals in the surface of the finished nail. Throw away your buffer! Seal It eliminates the need for buffing. This unique Quick Dry Top Coat created a smooth, strong, flexible high gloss, finish which cannot be removed with acetone. To remove, break the seal by gently buffing the entire surface of the artificial nail. Do not use over polished natural nails.

- | | |
|---------|-------|
| 5. 15ml | 09051 |
| 150ml | 09053 |

Ultra Finish - UV Cured Sealant

nailsforu Ultra Finish is a UV cures non residual glossy finishing Top Coat Gel and offers the very latest in UV technology. It's used as a sealing Gloss Top Coat over liquid & Powder Systems. Fiberglass / Silk wraps and Gels eliminates the need for the final buffing process. Ultra Finish is particularly useful when used as a Top Coat over nail art designs. Ultra Finish cannot be removed with acetone. To remove break the seal by gently buffing the entire surface of the acrylic nail. Do not use over polish on natural nails.

- | | |
|---------|-------|
| 6. 10ml | 09071 |
|---------|-------|

Line-X Fill Line Eliminator

Line- X is the very latest in the nailsforu range of products. Line-X removes unsightly fill lines. It is a simple to apply. It's unique action creates a bond between the natural nail and the prepared Acrylic or Gel re-growth. It is the creation of this bond that leads to the eradication of the fill line. Line-X must be applied once all the necessary preparation procedures have been completed in particular after application of Ultra Cleanse.

Powder & Liquid Nail Enhancement System

Nailsforu Monomers are MMA free. Our monomers contain UV absorbers which will prevent yellowing from taking place and colour stabilizers to enhance the colour or viability of the finished nail. Furthermore our monomers contain cross linkers, namely molecules which ensure that the finished nail is stronger, more flexible and far more resistant to breakage. Nailsforu offers a wide range of polymers which provide the technician with constant colour and sculpting capabilities.

First Base

This nailsforu base coat seals in and protects the natural nail. It promotes adhesion of the polish to the natural nail. FIRST BASE prevents peeling and chipping.

10. 15ml 13011
75ml 13012
150ml 13013

Ultra Nourish

This all time nailsforu favourite is a blend of natural oils and vitamins which ensures that this cuticle oil is rapidly absorbed into the skin. The jojoba oil softens and protects the cuticles by replacing the oils that have been lost.

11. 15ml Pina Colada 13021
75ml 13022
150ml 13023

Elixir

Active nourishing and moisturizing oil blend for use on the nails and cuticles. The blend of high quality oils is enhanced with pathenol and other vitamins. The ingredients include oils rich in vitamin E, oils to penetrate and condition, and moisturizing oils.

12. 15ml Dropper Bottle 13031
75ml 13032

Ultra Shield

This is a fast drying, non- yellowing UV Cured top coat is toluene and formaldehyde free. Great for French Manicures and Acrylics. ULTRA SHIELD provides a high gloss protective glaze over polish or any artificial system.

Pedicure

Nailsforu is proud to introduce their high quality nailsforté Manicure & Pedicure Range. This imported nailsforté Range has been manufactured with the finest natural ingredients in order to be compliant with European Union specifications.

1. Anti - bacterial, deep cleansing foot soak with tea tree oil.

The natural anti-fungal properties of Tea Tree Oil will help protect the toenails from harmful bacteria and the feet from infections such as athlete's foot. It will revitalize tired feet.

2. Nourishing pumice foot scrub with tea tree, sweet almond and wheat germ oil.

The extracts of almond & wheat germ nourishes and softens while the naturally anti -fungal tea tree refreshes and guards against germs. The pumice grains will exfoliate leaving the skin feeling soft and pampered.

3. Conditioning foot clay mask with tea tree & rosemary.

The penetrating and antiseptic qualities of tea tree oil promotes deep healing. The stimulating effects of rosemary oil will promote better blood circulation, skin tone and lead to a sense of well being.

4. Penetrating and conditioning foot massage oil with tea tree and rosemary.

Massaging with this unique blend of essential oils will promote improved skin tone. Improved blood circulation will revive tired aching feet.

5. Intensive foot and leg balm with tea tree and sweet almond oil.

The anti bacterial effect of the tea tree oil will protect the legs, feet and toes from harmful microorganisms. The nourishing, moisturizing and non- greasy formulation leaves the skin smooth, re-hydrated and supple.

6. Anti bacterial foot spray and deodorizer with tea tree oil.

Tea tree oil is a natural bactericide. Its penetrating properties effectively protect the feet from germs. Its invigorating formula will soothe tired aching feet.

7. Foot buddy - home care products Foot Gel.

A non- greasy formulation with juniper and peppermint oil. This gel will soothe, relax, freshen and deodorize tired aching feet.

8. Foot buddy - home care products Repair heel balm.

Rejuvenating tea tree and sweet almond oil formulation. This high lipid content in this Sweet Almond Oil based crème promotes re- hydration and softens the most dry, cracked heels.

9. nailsforté Spa Pedicure Kit

- 100ml Foot Soak
- 50g Scrub
- 50g Foot mask
- 50ml Foot Massage Oil
- 100ml Foot & Leg Balm
- 50ml Foot Spray
